Africa Eyes Us

Sir: Racial troubles in New York occupied prominent space on the front pages here and in other parts of Africa yesterday. Everyone here seems aware of America's color problems.

Africans appear more concerned with the plight of their brothers in America than in their own conditions here in Africa. Many are aware that for the industrial development of Africa, foreign economic aid and technical assistance will be necessary.

Thus, Africans consider America's treatment of Black Americans a good yardstick by which they can measure the sincerity of America's offers of assistance here, and many young Africans are openly stating that what America practices at home, does not coincide with what she preaches abroad, and are thus suspicious of her overtures here.

The African finds it difficult to understand why in a land that advocates equality, twenty million Black Americans are without equality.

Why, in a land classing itself as leader of the free world, twenty million Black Americans are not free;

why in a land of schools, colleges and all forms of educational opportunities, twenty million Negroes need Army escorts to accompany them to many of these institutions.

And they are asking why so many American Negroes suffer unemployment, bad housing, slum conditions and poverty.

New York is the world's largest city and international metropolis. It is the capitol of the world, the home of the United Nations. Thus, news of racial trouble there quickly spreads abroad.

troubles there quickly spread.

Here in Africa, the all-seeing eye of the African masses is upon America.

NATION OF ISLAM
IS - MOI

Enclosed herewith to the Bureau and New York are two copies each of the following described articles.

(1) Article which appeared in the August 15, 1959, issue of "The New Crusader" captioned "White Man is God for Cult of Islam." Instant article is generally critical of ELIJAH MUHAMMAD and the Temple of Islam and points out that MUHAMMAD has made a fortune off the gullibility of his followers and that the organization spreads vicious anti-white propaganda. The article also contains quotes from the "Working Muslim Mission" in Surrey, England to the effect that MUHAMMAD's preaching in the name of Islam is most fantastic and that instant mission has nothing to do with Mr. ELIJAH MUHAMMAD, his views or his activities.

(2) Article which appeared in the August 1, 1959, issue of "The New Crusader" captioned "Muhammad Fake, Imam Charges." This article relates that ELIJAH MUHAMMAD has been denounced as a fake by the Imam Talib Ahmad Dawud Al-Hajj, spiritual leader of the Muslim Brotherhood, USA. This article quotes Imam as stating that MUHAMMAD does not teach the principles of Islam, that he does not believe in an unseen God, and is not qualified as a bona fide Muslim.

"The New Crusader" is published weekly in Chicago, Illinois, and is described therein as "an independent newspaper serving the South Side, West Side and North Side—Printing the news impartially, reporting what it believes to be right and opposing what it believes to be wrong without regard to party politics. Devoted to the industrial, educational, social, politica and economic advancement of the Negro people."

[redacted] who has furnished reliable information in the past, advised that on August 14, 1959, MALCOLM was in contact with ELIJAH MUHAMMAD and discussed at considerable length problems which have been encountered as the result of criticisms being directed at ELIJAH MUHAMMAD and the Nation of Islam.

MUHAMMAD during their conversation commented, "Right at the present time everybody is trying to see if they can find a leak in the pail...They will take the honest and the fairness of the thing and try to mix it up...So the best thing to do is stay away from it. That was one of the dirtiest tricks in the world to take that play and shift it in on the Washington program ...They wanted to come out when they thought they could use it effectively...You should see the little stuff here this little Crusader is spreading out."

Thereafter, according to the informant, ELIJAH MUHAMMAD and MALCOLM continued their discussion with regard to specific items which appeared in the "Crusader" articles. MALCOLM then commented that he knew their source, whereupon MUHAMMAD assured that he knew too, pointing out that "it was this same bird."

MALCOLM related that he ran into something today and it caused him to have some doubts about the "Little Brother, not the Big Brother, but the Little Brother...I saw a complete report from some things that was really, was kind of amazing. I saw an account step by step of a complete so-called report from the people. Well, I'll tell you actually who's supposed to be putting out all this information is this Jewish organization called B'nai B'rith. They have agents all over the world and they supposedly get a complete set of information on everything."

MUHAMMAD interjected himself at this point and stated, "Furnished to them by such, you know, people as this bird." MALCOLM thereafter agreed and stated, "And you know the person I mentioned."

MALCOLM went on to relate as follows: "I think that the younger, the prodigal son, have more to lose than the other because everything was his. The younger son had more to lose than the older son because the older son didn't have anything coming to him anyway.

CG 100-3[illegible]

MALCOLM then continued in his remarks concerning "Little Brother" stating that he thinks Little Brother is [illegible] than he actually acts as Little Brother is able to look [illegible] he is going in one direction when he is going in another direction.

MALCOLM further related that [illegible] someone showed him something and I think more or less they would have been showing it to me to put me on the good side of me and the thing itself would make a person think but it was good reading and I asked if it but they said no, they couldn't let me have it. It was the source or origin of the account that came out in Time Magazine. It was the complete dossier, in fact they had a so-called file on you from the Chicago Police Department, the Federal Bureau of Investigation and from N'ami N'rith. They had all these files and they let me read it and I told them outright that all this information is not even true. I just read it and laughed and then they had some more in there on something else. A supposedly complete account of my trip abroad and so forth and I laughed at that too because I knew it was false."

Since it appears that the person referred to as "Little Brother" is suspected is the source of information resulting in the critical accounts concerning MUHAMMAD and his religion which appeared in recent magazine and newspaper articles, New York is requested to advise Chicago whether the identity of "Little Brother" is known to the New York Office. Chicago would also [illegible] of showing whether New York possessed views relating to the possible identity of "Little Brother" in the event his true identity is unknown.

New York is also requested to contact other sources close to MALCOLM for the purpose of attempting to determine the identity of the individual who allegedly exhibited the complete dossier of the account concerning MUHAMMAD which appeared in the August 10, 1959, issue of "Time Magazine."
